*Calling on Parents, Teachers, Administrators, School Board Members, Nutrition Professionals, and all wellness advocates!*

**WE NEED YOU!**

The Calaveras Unified School District Board of Education recognizes the link between student health and learning and desires to provide a comprehensive program promoting healthy eating and physical activity for district students. The Board understands students need to be physically active and eat nourishing food to grow, learn and maintain healthy physical and mental development.

Vision: A district who fosters a culture of healthy, active learners.

Mission: Improve the health of students and families. This mission will be accomplished through education, environmental changes, and opportunities to establish life-long healthy nutrition and physical activity habits.

The Student Wellness Policy Committee serves as a resource to families and schools to establish goals and objectives, and monitor and evaluate the implementation of our vision, plan and goals.

If you are interested in serving on the committee, please contact Mark Campbell at [mcampbell@calaveras.k12.ca.us](mailto:mcampbell@calaveras.k12.ca.us).
